In continuation of its efforts, the Ministry of Health and Family Welfare, Government of India, which is a research and development initiative, has successfully conducted a trial run of drone delivery by

The trial run as a part of a path-breaking initiative, the efforts of ICMR, Lady Hardinge Medical College, and a Noida-based drone delivery company.

The inaugural trial run was conducted on May 10, 2023, at the Lady Hardinge Medical College, New Delhi.

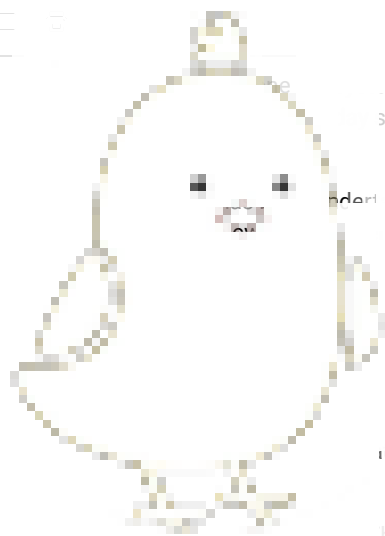

Notably, LHMC is a centre for drone delivery and is a part of the ICMR's research and development initiative.

The protocol developed by ICMR, the drone delivery company, and LHMC is a part of the ICMR's research and development initiative.

Highlighting the ICMR's efforts for distribution of blood bags, the ICMR DG has said that the ICMR will continue to be kept at a low cost.

After the experimental run, the ICMR DG has said that the ICMR will continue to be kept at a low cost.

The ICMR DG has said that the ICMR will continue to be kept at a low cost.
